

DID YOU KNOW?

Diapers CAN NOT be
purchased with
Food Stamps!

Sometimes families have to
choose between diapers
and other necessities such
as food or utilities.

Since opening in October
2012, the Diaper Depot
has helped over
3,000 infants & toddlers
in West Michigan.

**The need in our
community is great!**

The Diaper Depot helps
those who can't help
themselves - babies.

THE DIAPER DEPOT IS OPEN:

Month - 6:00-8:00 p.m.

When a baby cries, it needs something.

But sometimes the thing that is needed most is missing—
a clean diaper.

How often does that happen?
One in three families struggles
to provide enough diapers for
their children.

What We Do –

Parents of children age 3 and under may visit once per month and receive a free package of diapers. We only ask for ID, such as a license or mail with their name and address, and a WIC card or birth certificate for each child as proof of age & relationship.

How do we operate?

This is a collaborative effort that involves the whole community, donating their time, their money . . . and their diapers! We have received generous grants and donations from various organizations, churches and individuals and are extremely grateful to the entire community for their support! But these funds are almost gone. We are currently spending approximately \$1500 per month in order to assist all who come to us.

Please help us help them!

How YOU can help...

DIMES FOR DIAPERS

Please consider collecting donations for the Diaper Depot. There are many ways this can be accomplished, but perhaps the simplest is a Dimes For Diapers canister. When purchased in bulk, every \$1.50 collected will purchase 10 diapers. That's just 15 dimes for a dry, healthy bottom!

Donations of diapers & wipes, or the money to buy them, are greatly appreciated. And all donations are tax-deductible! Ascension has IRS 501(c)(3) status.

Your continued donations are crucial to this program's success. We can't accomplish this without your help!

Please help us help the babies of West Michigan stay dry & happy!
